REGENERATION – AUG 17

AUGUST 17 @ 7:30 PM - 9:30 PM

In lieu of **Mishaabooz's Realm** we will be presenting **Regeneration**: an innovative evening of theatrical storytelling combining vocal, percussion and electro-acoustic music entwined with dance and painting to present a new understanding of an ancient story.

Regeneration is inspired by the northern Mexican legend of the bone-gathering woman, '*La Loba*' (Wolf Woman). In this multi-textured work, designed and directed by Valerie Kuinka, artists gather bones to assemble a skeleton. The spirit of '*La Loba*' begins her magic; singing, dancing, painting and playing instruments until the bones refresh themselves and a new woman arises.

Only 2 PERFORMANCES.
